

SONG OF AN AMERICAN SAILOR

aus B. Traven "Das Totenschiff"

Now stop that crying, honey dear
The Jackson Square remains still here
In sunny New Orleans
In lovely Louisiana
In sunny New Orleans, in lovely Louisiana

She thinks me buried in the sea
No longer does she wait for me
In sunny New Orleans, in lovely Louisiana
In sunny New Orleans, in lovely Louisiana

The death-ship is it I am in
All have I lost, nothing to win
So far off New Orleans, so far off Louisiana

Now stop that crying, honey dear
The Jackson Square remains still here
In sunny New Orleans
In lovely Louisiana
In sunny New Orleans, in lovely Louisiana
