

The Gals of Chile

To Chile's coast we are bound away

Timme, heave-ho, hang 'er Hilo

To Chile's coast we are bound away

We'll dance an all drink pisco!

We're bound away at the break o' day

Where the little spanish gals are so bright and gay

Timme heave-ho, hang 'er Hilo

Sing olay for them spanish gals

And when we get to Vallipo

And when we get to Vallipo

Dance the gals up the street with a roll-'n-go

Grab 'em round the middle an' we won't let go

Them senioritas, they're smart and gay

Them senioritas, they're smart and gay

They'll dance an' drink till the break o' day

Then clean ye out an' blow yer pay

Rosita, Anna and Carmen too

Rosita, Anna and Carmen too

They'll greet ye with a hullabaloo

An' soon ye'll know, what they can do

Them ol' senyoras, as we know well

Them ol' senyoras, as we know well

They're red hot ddiviös from the other side o'hell

An' ye'll niver get a chance for to ring a Chile bell

When the time comes for to sing farewell

When the time comes for to sing farewell

Goodbye to the gals an' our money as well

Callyo, Coquimbo an' ol' Corynel
