

HAUL ON THE ANCHOR CHAIN

(John W. Sparrow)

Chorus

**Haul on the anchor chain
And pull on the oar
And we'll raise a glass together
When we reach the other shore**

1) Now, the Captain comes from Kansas
He's a mighty sailing man
For a guy whose lost his glasses
He does the very best he can

Chorus

2) The turn around to Bainbridge
Is an hour forty flat
You can listen to even Steven
Or the lovely singin' Kat*

Chorus

3) The first mate is quite jolly
From the funnels right on down
He know every little cubby hole
where a bottle can be found

Chorus

4) The galley is so spacious
Its a delight to the eye
And the food is so delicious
As we all can testify

Chorus

5) By the mighty diesel engines
the engineer is vigilant
If the Cabin Boy remembers
To go down and wake him up

Chorus

6) So remember weary travellers
If you're looking for some fun
The finest to be had's on the ferries
in the State of Washington

Chorus
