

## **Pull down below**

**Traditional Shanty**

I went to church an' I went to chapel

**Pull down below**

I went to church an' I went to chapel

**Pull down below**

***Chorus***

**Oh Hielan' laddie**

**Pull down below**

**Hielan' laddie, bonnie laddie**

**Pull down below**

On the road I found a saddle

I found a saddle an' an empty poke

***Chorus***

I found a saddle an' an empty poke

But where the hell ist the bleeding make

***Chorus***

Well, the make is gone an' I'll go too

I'll sail away to Bakalo(?)

***Chorus***

So, hoist her up an' down below

Just hoist her up an' away we'll go

***Chorus***

Just give 'er sheet an' let 'er go

We're outward bound to Bakalo(?)

***Chorus***

I thought I heard the ol' man say

Just one more pull an' than belay

***Chorus***

'Cause I went to church an I went to chapel

I went to church an' I went to chapel

***Chorus***
